**Rent Responsibly**

## **Guest Acknowledgement and Our Commitment**

**Noise:** We are committed to the Lake Placid Rent Responsibly standards. This means we follow best-in-class guidelines and adhere to Lake Placid Town and Village Rental codes. This helps to ensure you have a peaceful, safe, and memorable stay with us. We use smart home technology to improve your experience. Minut is a smart home device that measures decibel levels outside the home and allows us to respond to noise nuisances without disrupting your stay. Minut is 100% privacy compliant and is required on this property. If you have any questions, please ask at check in.

**Cameras:** We are committed to the safety and security of our valued guests. This rental property has security cameras at all entrance and exit points. There are no cameras inside the home. By signing this acknowledgement, you agree to this security measure. If you have any questions, please ask at check in.

Guest initials: \_\_\_\_\_ Date: \_\_\_\_\_

**Plumbing:** We are committed to your peaceful and memorable experience at our StayADK vacation home. Please do not flush anything other than bodily waste and toilet paper in the toilets. Failure to follow this requirement can result in a significant disruption to your stay if what you have flushed causes a clog in the drain and septic products back up into the drain/s. This is extremely important. Unfortunately, if you do not follow this advisement and we need to contract professional plumbing services to alleviate the clog, you will be charged an additional \$250.00 fee, which will be immediately deducted from your security deposit. If you have any questions, please ask at check in.

Guest initials: \_\_\_\_\_ Date: \_\_\_\_\_

**Firewood:** New York State Department of Environmental Conservation (DEC) prohibits the transportation of firewood into the Adirondack Park to prevent the spread of invasive pests. Please do not bring firewood with you. There are many places to purchase wood for your bonfires. Please ask at check in.
